

Student Services

Our International Student Services Center first welcomes students with an orientation program to make sure students are properly acclimated and familiar with the necessities of being a student at Woosong. They help to create a sense of belonging, an appreciation and understanding of cultural differences, and they facilitate student development of leadership and teamwork. Student assistance is provided with making tuition & fee payments, scholarships, banking, medical insurance, visa enquiries, residence affairs and other needs.

Student Council

Each of the Departments at SIS have a Student Council that organizes events and activities for its students. Events include International Sports Day, excursions to industries, event outings, parties, etc. Students are encouraged to participate in Student Council to express the needs and desires of all students.

Student Activities

SIS offers numerous clubs and organizations for students to participate in extra-curricular activities as an opportunity to expand their horizons. Some example clubs include movies, debate, soccer, language, study groups, and more. Any student can initiate a special club that meets basic requirements. Peer Group leaders is a favorite as it involves helping newly arriving students. Check out our clubs when you arrive: Sol Cuisinier, Tasty Road, Da Bap, Smart Hospitality, Spanish Conversation and many more.

Study in Korea

Embrace the World

Providing a Global Reach in Practical Career Education

Woosong Education Foundation was established in 1954, located in Daejeon, South Korea and provides specialized programs based on practice and theory. It currently boasts three international schools: SolBridge International School of Business, Sol International School and Endicott College of International Studies. Education in the International schools is conducted solely in English by renowned international professors. Woosong University has established academic partners in more than 55 countries providing student and faculty exchange, joint research, dual degree, and Study Abroad programs. Current enrollment is approximately 13,500 students in Bachelor, Master and doctoral degree programs.

Sol International School (SIS) was created in 2014, and offers six English-instructed, 4-year Bachelor's degree programs in the fields of Culinary Arts, Hospitality Management, Healthcare Management, Railroad & Transport Management Restaurant Entrepreneurship and Media & Communication Arts. SIS is supported by a 94% international faculty having a rich industrial and academic expertise, state-of-the-art facilities, and cutting-edge technologies. It boasts an international faculty from 26 countries and approximately 850 students.

South Korea has become the 11th largest economy in the world in terms of gross domestic product (GDP) and the GDP per capita is more than \$29,000. It is a world leader in technology development and innovation. South Korea is known for its safe & secure environment and of its awesome K-pop music, stunning K-dramas, a highly educated population, high-speed Internet, and of course high technology advancements by such leaders as Samsung, LG, SK, Hanhwa, Hyundai, and Daewoo. In Daejeon, you will find 17 universities, low-level mountains, forests and lakes making it a nature paradise.

Internationalization

Internationalization is a core goal of our effort to prepare students for careers in globally active businesses and institutions, which is why we insist on a multicultural student body. We offer our students various opportunities to gain international experience through student exchange, study abroad and dual degree programs. In addition, we offer students may experience 6-12 month international internships to enable them to acquire professionally relevant international and intercultural experience in the USA, Australia, Germany, Switzerland, Dubai, Japan, and many more exciting locations.

Facilities

Woosong University is conveniently located near the heart of the city and is one of the most modern and attractive campuses in Korea, boasting many indoor & outdoor facilities: modern/smart classrooms, computer labs, library, auditoriums, restaurants, coffee shops and fitness centers and more. Restaurants, shopping and entertainment areas are within walking distance of our new SIS headquarters pictured at left.

Dormitories & Dining

All international students are required to stay in the international dormitory for their first semester and if they desire to live off-campus later, they may do so. Rooms are shared with one other person and the bathrooms are communal with private stalls for showers and toilets. Dormitory doors are locked at midnight and reopened at 5:30 AM for student security.

Academic programs

Hospitality Management

To educate superior leaders in the hospitality management arena, we have created an education program supported by hospitality professionals and academicians who provide cutting edge knowledge and experiences in hospitality management. Students are taught by a prestigious international faculty who have enjoyed successful professional careers in various hospitality industries but also with rich academic and research backgrounds. We offer Bachelor, Master and Doctorate Degrees in Hospitality Management.

Restaurant & Entrepreneurship

Our program aims to educate global leaders who are trained in the food industry, restaurant management & innovation, restaurant creation, catering services, and meal distribution. In our program students learn about the complexities of the management, culinary, entrepreneurship and hospitality aspects of operating a successful restaurant. We take the mystery out of creating an outstanding enterprise.

Healthcare Management

Our program forms the bridge between professional providers of medical care in hospital & Health Care centers and domestic & international patients. When you study with us, you will become proficient in hospital organization, health assessment, human anatomy, healthcare communication, data control, and emergency medicine to name just a few areas. Our program excels in creating skilled professionals with all the qualifications required by major healthcare and related institutions.

Culinary Arts

Our comprehensive culinary program offers the best culinary arts education in Asia and combines the best of European and Asian cooking with hands-on skills development. We offer a certificate program from France's INBP and a dual degree with Institut Paul Bocuse – both on our campus. International internships provided. A degree in culinary arts also includes business operations, restaurant management, wine and spirits, communications, and customer service.

Railroad & Transport Management

As high-speed train travel spreads around the world, there is a growing demand for experts in all areas of the industry. Our program offers students a two-track option to focus on the technological side of railroad engineering or the management side of transportation. Our program offers opportunities to participate in overseas internships. We can boast one of the highest employment rates for graduates among comparable academic institutions.

Media & Communication Arts

Our program is designed to provide a thorough understanding of the skills needed to succeed in today's dynamic, digital media industries. You'll be honing core industry skills such as storytelling, pre/post production, directing, performance, and the ability to creatively articulate abstract concepts. You will learn to work within Korean Wave production sectors as well as multi-channel networks in the field of digital convergence.

Admissions

Admission criteria

Admission to Woosong is evaluated on a case by case basis considering the applicants academic records, English proficiency, financial status, personal essay and letter of recommendation. Minimum criteria include an English proficiency of IELTS 5.5 or TOEFL 61 iBT and academic performance above 75% or equivalent. Admission is open to all applicants who meet these criteria and have a gap period of two years or less.

Our Degrees

In addition to a Bachelor's Degree in all departments, we also offer Associate, Master and Doctorate Degrees in selected departments. Our Bachelor's Degree program includes four study terms per year to permit graduation in 3.5 years. Tuition for one-year ranges from \$7,400 to \$9,200 depending upon department selected.

Scholarships

An Initial scholarship is awarded upon admission for one semester based on meeting the minimum admission criteria. From second semester onward, Merit Scholarships are available based on academic performance. A high-performing student can qualify for up to 70% tuition scholarship. Each scholarship includes tuition only and is good for both consecutive 15 and 5-week study semesters.

How to apply

It is easy to apply online and uploading the required documents. You can find details at <http://sis.ac.kr> by clicking on 'Apply'. We ask you to apply early to ensure admission and arrival on campus in a timely manner. The application deadline for Fall semester is June 5th and for Spring semester is January 5th. Apply early to ensure a seat. Questions? Write to admissions@sis.ac.kr.
